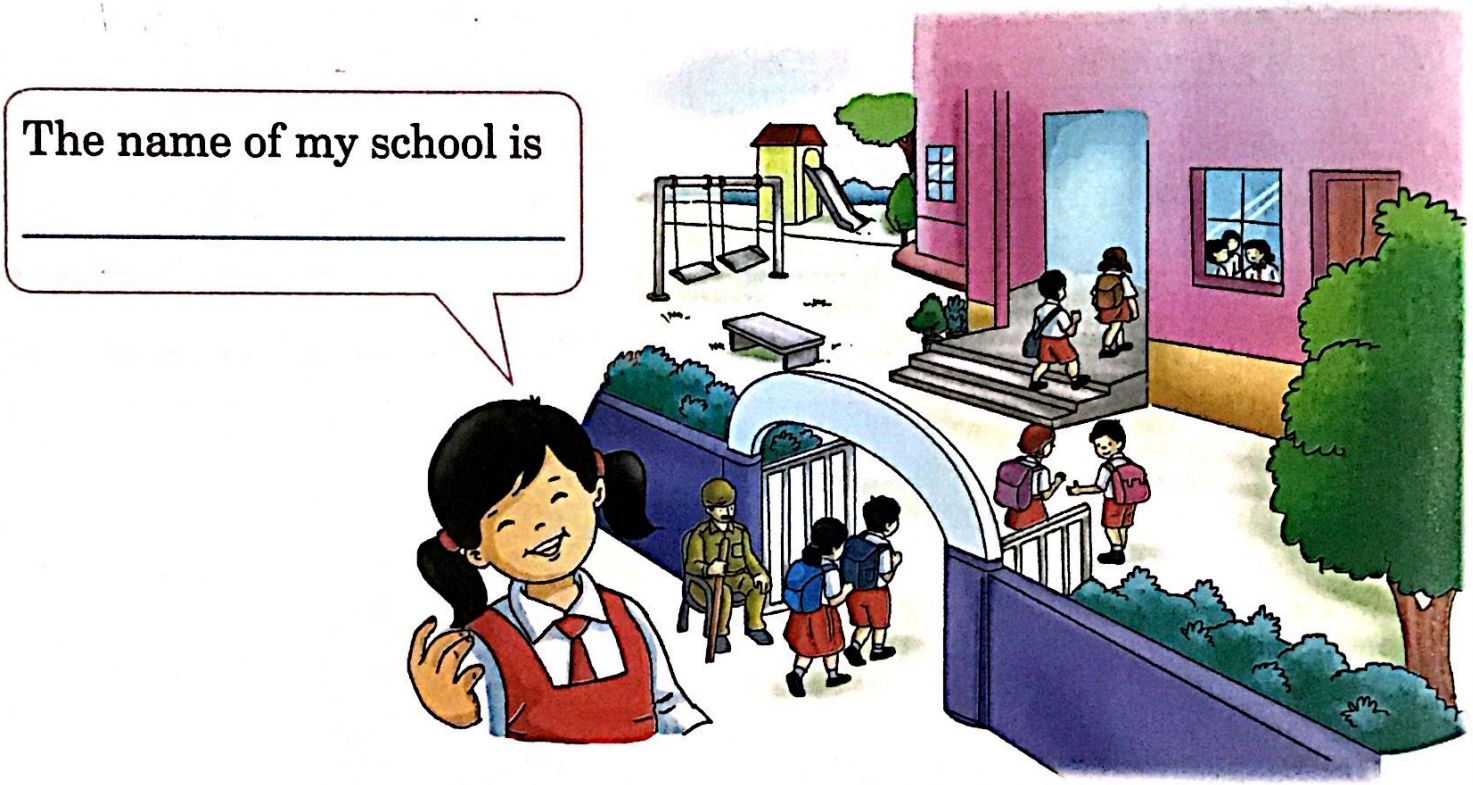
5 My School

Let's Begin

Do you love going to school? Which is your favourite subject? Who is your favourite teacher? Our teachers teach us all good things. We learn lot of things in school. Let's find out more about school.



A school is a place where we learn many things.

We learn to draw, write and make things.

We learn to read, write and speak properly in school.

We also learn to sing, dance and play games.

We also learn good manners and discipline in school.

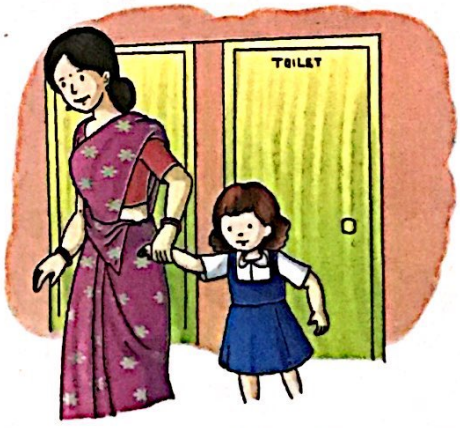
People who help us in school

The people who help us in school are the teachers, principal, peon, ayah, watchman, etc.

Teachers teach us to read, write and learn new things.

Peon rings the bell in the school for lunch.

Principal is the head of the school. He/she manages everything in the school.



Ayah helps small children in the school. She looks after them and takes them to the toilet.
