# Right Slanting Lines

Please join the dots to make right slanting lines.

Tracing practice area consisting of four rows of dotted right-slanting lines on a horizontal baseline. The first row has 7 lines, the second row has 7 lines, the third row has 9 lines, and the fourth row has 9 lines.

Who am I? Please join the dots to get your answer.

Five identical triangles for a dot-marker activity. Each triangle has a dotted line for the left slanted side and a solid line for the right slanted side and the base. The top vertex of each triangle has a small loop.

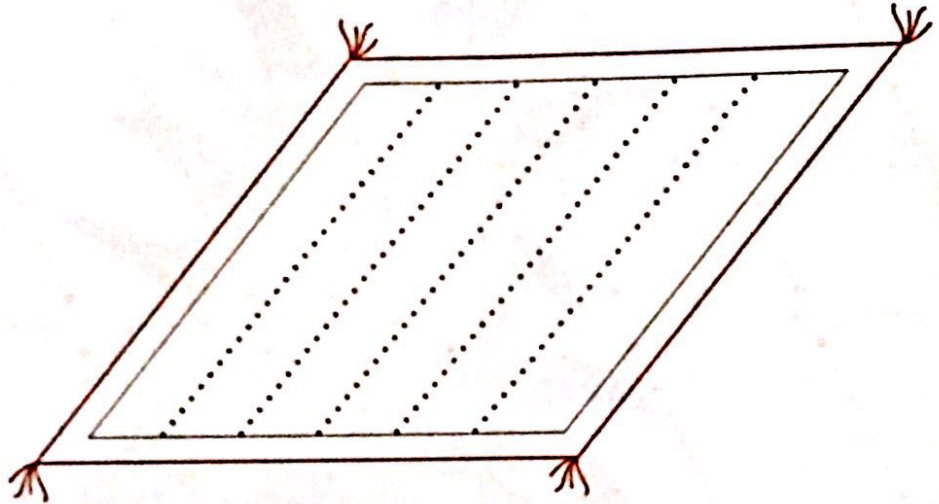

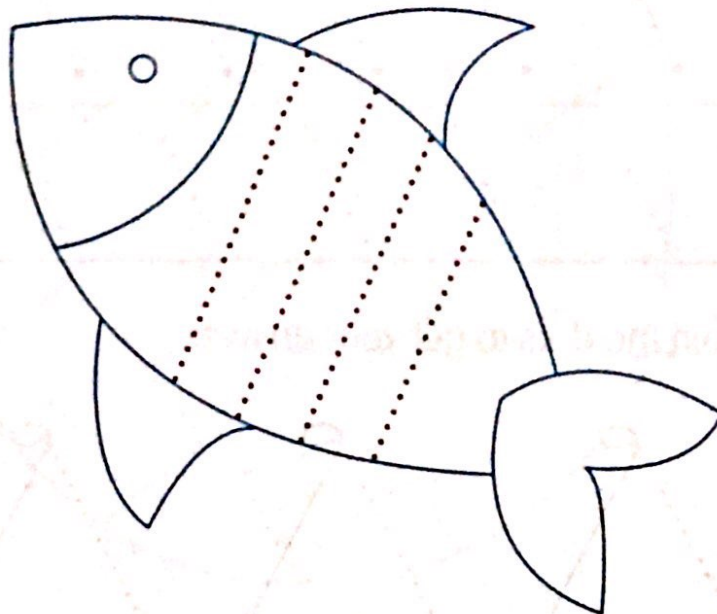

# Right Slanting Lines

Please join the dotted right slanting lines to complete the pictures and colour them.

# Curves

Please join the dots to make right side curves.

Tracing practice area with four rows of dotted curves. The first two rows contain large semi-circles, the third row contains medium semi-circles, and the fourth row contains small semi-circles. Each row is separated by a horizontal line.

Please join the right side curves to complete the picture.

Four circular patterns, each consisting of a dotted outer circle and several solid lines radiating from the center to the inner edge of the dotted circle. The right side of each dotted circle is missing, intended for completion using the curves from the previous section.

# Revision

Please trace the standing lines.

Tracing practice for standing lines. The first row shows a vertical line with a downward arrow indicating the direction. This is followed by several rows of horizontal lines with vertical dashed lines for tracing.

Please trace the sleeping lines.

Tracing practice for sleeping lines. The first row shows a horizontal line with a rightward arrow indicating the direction. This is followed by several rows of horizontal lines with dashed lines for tracing.
